From: Kevin Martin/ESC/R3/USEPA/US
To: Martin.Kevin@epa.gov

Everyone,

Since our meeting this morning, I made edits to each request form for the Dimock Site. Please review the requests and add your pertinent notes into the Special Instruction's box. Please let me know if additional edits are required so we could distribute requests to customers. How will we address the PAH by SIM? Thanks!

Narel

Thank You,

Kevin Martin, Chemist
